

DON DIEGO SANTA AÑEJO

The year was 1943, the place was Guadalajara, Mexico and a young man with an extraordinary skill, Cesar Garcia, established a small tequila distillery he named Destileria Rio De Plata. He later formed a company to sell his award-winning tequilas, Tequilas Del Senor.

It is this same company, Destileria Rio De Plata, rich in history and with a world-class reputation of innovation & quality who are the creators of Tequilas Don Diego Santa. We introduce you to three authentic & traditionally styled tequilas, all produced from only the finest 100% Estate Grown Blue Agave Tequilana Weber, hand crafted using only small pot distillation. Don Diego Santa presents tequilas that Don Cesar Garcia would describe as “The True Taste of Mexico.”
