

RESERVE DES ARGENTIERS 2007

Patience, know-how, observation and intuition are all required to make and raise the wines in the Southern Rhône valley. This Châteauneuf du Pape shows exactly how much time and effort are put into these varietals, because it is simply bursting with exotic flavors. This is a wine suited for the affluent gastronome who enjoys rich meals and complex wine. Réserve des Argentiers Châteauneuf du Pape is introduced by Caves des Papes wines, where the passionate quest for making Rhône valley wines was born in the vineyards of Châteauneuf-du-Pape.
